

THE CITY COUNCIL OF BÅ SING SE

A ROYAL DECREE FROM HER MAJESTY THE EARTH QUEEN

GOOD DAY WEARY TRAVELER. THE FOLLOWING IS A DECREE FROM THE EARTH QUEEN. AS YOU KNOW, IN OUR GREAT CITY OF BÅ SING SE, WE HAVE DONE EXTENSIVE WORK MAPPING OUT THE MOUNTAINS FOR MINING PURPOSES. OUR MOST RECENT EXPEDITION WAS A BIT COMPLICATED TO SAY THE LEAST. WE WANT YOU TO GIVE US A MAP OF THE CAVE SYSTEM, AND REPORT WHAT YOU FIND WITHIN THE CAVE ITSELF. WHAT DO YOU FIND THAT IS ALSO THE CORE PRINCIPLE OF EARTH BENDING?

WE HAVE SENT IN SPOTTERS, WHO FOR EVERY CAVE UNIT HAVE MARKED HOW MANY UNITS THEY CAN SEE TO THEIR SIDES, INCLUDING THE UNIT THEY WERE CURRENTLY ON. THE LETTERS CORRESPOND TO RESOURCES WE ARE TRYING TO GET. OUR TORCHES DO NOT PERMIT THEM TO LOOK DIAGONALLY, I'M AFRAID. SEE IF YOU CAN MAP OUT THE CAVE SYSTEM FOR US.
